Subject: Docket No. 05-00261. Re Merger of Claricom Networks, LLC with and into Matrix Telecom

Ms. Riley,

Per your response to our Data Request 1 received on October 7, 2005, please revise and/or refile the current customer notice that informs customers they will receive a thirty (30) day written notice of any rate increase implemented within ninety (90) days from the date of the transfer.

The Customer Notice or Transfer of Telephone Service copy (dated September 30, 2005) that you provided with your previous data response merely indicated that customers would receive a thirty (30) day written notice, but it was not consistent with Tennessee Regulatory Authority (TRA) Rule 1220-4-2-56(2)(d).

Please respond by sending the original and 13 copies of your revised customer notice to

I think the notice that I provided is more in favor of the customer in that I said they would receive 30 days notice of any rate change without limiting it to the first 90 days. Why would that not be in compliance with the rules?
